MEMORIES

Hobart Senior High School
Hobart, Indiana

Every morning a gracious God gives to each of us twenty-four hours, fresh and untouched; they are ours to do with as we will. These divine gifts are not merely privileges -- they carry with them responsibilities. As we journey through life, we cannot afford to waste our precious moments idling along the way. True success belongs to the man who sets his goal high, travels always toward it, and refuses to be sidetracked, regardless of the cost. If we will assume our responsibilities and walk in a path directed by the Creator, our lives, too, will be happy and blessed.

Hobart Senior High School II

"A Dream Came True" for 800 students last fall when Hobart Senior High School II opened its new doors.

Planning and much hard work by the students, faculty, and Hobart citizens have helped to make this dream come true.

In 1845 formal education in Hobart was born in a one-room oak-log schoolhouse on Center Street where the Masonic Temple now stands. Not until 1877 was there an actual building where Hobart Senior High I stood. At that time it was known as Hobart Township High School and extended its facilities to those living as far north as Marquette Park and as far south as Ross Township. The year 1900 marked the official commissioning of Hobart Senior High School I, and by 1910 it was a consolidated school. Additions were added to this building in 1910 and again in 1939. Pupils attended this high school until the fall of '58 when they moved into the new Hobart Senior High School II that was designed by Schutt Haley Architect.

For the first time in Hobart's history the high school now includes only the three upper classes.

Hobart Senior High School II besides having a gym with the seating capacity of 2,800, has also combined a cafeteria and auditorium (cafetorium). Unlike the old high school, this school combines the cafeteria, the gym, the shops and the band portable into the main building. This school has given students a chance to learn and study with the finest and most up-to-date equipment.

The 1959 graduating class was not only the first to graduate from this new $1,300,000 school, but it was the largest graduating class in Hobart's history. It exceeded all graduating classes with a total of 299 receiving their diplomas.

This new building had given us many advantages in helping Hobart High grow in stature and in name. It is up to you who follow to add to the achievements that Hobart students have made in the past.

Our spacious student lounge was the perfect spot for the first after game dance of the year held after the Emerson-Hobart game. This was one of the several dances sponsored by the Booster Club.

Students Take Time Out To Enjoy Themselves

One of the many plays Mrs. Anabell Shone's class performed this year was entitled "Bread." This cast included Mary Lou Stephens, Renne Shannon, Ron Suwinski, and Bob Mitchell.

Working on the senior float committee were: Linda Naanes, Judy Singer, Nancy Acker, Eleanor Sempf, Kay Thiede, Jeri Layer, Irene Ksenak, Harry Hopkins, Anabel Stafford, and Sharron Fifield.

David Jordan, mixing the developer; and Nelson Lemmon, checking a picture, are ready to begin printing pictures for the yearbook.

In Various Extracurricular Activities

The annual Christmas tree was decorated by members of the senior class. Trimming the tree are Charlyn Moore, Betty and Barbara Szcepaniak, and Sharron Fifield.

Going steady has been popular this year at Hobart Senior High School II, Caryl Eaton and Bill Lane show they are going steady by their steady sweaters.

"Soup's on!" Waiting patiently for lunch in the school cafetorium are Darlene Crowder, Janice Williams, Micky Wojnarowski, Bob Neff and Tom Needham.

"Don't move." Applying make-up for Janet David, member of the senior chorus line, is Mary Kay Berg. Janet appeared in the Student Council Talent Show, March 5 and 6.

All Books Aside . . .

'59 cap and gown committee was: Janet Jones, Claudia Quinlan, Bob Jeffress, Gib Robinson, Bill Lane, and Beth Garretty. Modeling are Pat Stone and Larry Snyder.

As noontime recreation, the students "rock around the clock" to their favorite pop tunes. Many students participate daily.

"Not too big, save some room for the other 297 seniors!" Carving their names are Jim and Jack Meade and Donna Mitchell. Trent McKinney (sophomore) is painting on some of the names.

To Enjoy New Surroundings.

A glance will tell you these are the students on the senior sweatshirt committee. FIRST ROW: Bobbie Layne, Mary Kay Netzhammer, Mary Lou Stephens, Gloria Callaway, Millie Glusac, and Janet Kraft, SECOND ROW: Pat Stone, Arnim Whisler, Larry Snyder, Bill Lane, Wallie Algrim and Caryl Eaton.

Ready and eager to start another day of driver training in the yellow '57 Chevy are, Ron Mulholland, Mr. Warren Biller, instructor, Rose Ann Luby, Maureen Holland and Bob Reick.

Our School Is Modernly Equipped. . .

Psychologists find that ink blots are very successful in studying one's personality. Mr. Davis points out to Mike Biggs and Judy Bjerkness the different samples of blots.

Karen Counsil carefully folds the clothes she has just taken from the dryer, while Doris La Baw prepares to refill the washer. On hand to answer questions that may arise, as to the operation of these appliances, is Miss Jacque Neff, home economics teacher.

5,000 Books. . 31 Classrooms. . 4 Labs. . 3 Shops. .

Mrs. Mary Bailey, librarian, is constantly checking out books to students. Caryl Eaton (back to camera) is being charged for a lost book. Arlene Sayka waits patiently to have a book checked out.

"Yeasts reproduce by budding," reveals Bob Bell, advanced biology student, as he examines the microscopic organism. Sharon Hill takes notes on their observation. Supervising the analyses is Miss Lola Stewart, biology teacher.

Hobart's New Labs Inspire Young Scientists

"Looking for something?" These students Jane Schuwochow, David Thyen, and Margaret Dujmovich are learning how valuable a microscope is to biology students.

Bud Toering and Carole Vygrala are proving to Mr. Hamman, chemistry teacher, that they have learned the proper way to measure units on the balance scale. Notice the smiles---looks likes fun!!

Science Builds Tomorrow's Future

"Careful now, don't spill any!" cautions Lynda Naanes to Jerry Marshall. Here they are performing an experiment in physics class.

"Here is the answer to our problem," Jim Ray is telling Gerry Lynn Mapes. She is helping Jim with his advanced algebra.

New Courses Prepare Students For College

"Corresponding parts of a concurrent triangle are equal," explains John Batzel to the geometry class, while Donna Mathis watches. Mr. Bryan Reed assures the class the statement is correct.

Beginning algebra classes this year have been greatly reduced because of the absence of the freshmen. Miss Dorothy Thompson is the instructor of the one algebra class being taught this year.

Algebra, whether beginning or advanced, supplies the language and principal tools of any mathematics above the level of arithmetic. Many problems can be done more effectively by means of algebra.

Why should girls take algebra? The answer is the same reason the boys study it, to become acquainted with its opportunities in the fields of science and industry. It can be summed up by saying that one studies mathematics for the fun of it, while he studies algebra for the profit he will acquire from it.

Learning the correct use of the slide rule in trigonometry class seems to be amusing to Gib Robinson, Sharron Fifield, and Mr. Clifford Fackler.

American Curricula Stiffens As Russia Advances.

Mathematics contributes directly and indirectly to most phases of modern civilization--directly because math itself is necessary for the development and use of the other sciences which are indispensable foundations of applied sciences and arts. This means that anyone who expects to study any of the sciences and the technical courses dependent upon them, such as engineering, pharmacy, medicine, architecture, designing, etc., must first study the fundamental courses in mathematics. High school mechanics find it necessary to use the rules or formulas for computing areas and volume and other mathematics in their daily work.

These are just a few reasons why mathematics is important for the future of everyone.

Wayne Teague writes out a problem on the board in solid geometry while Arnim Whisler is in deep thought trying to solve the problem.

"Secretaries of Tomorrow," Janet Jones, Dru Halsted and Bobbie Layne, are learning to operate the duplicator and electric drawing board in Miss Rebecca Todd's office practice class.

Commercial Classes Strive For Speed And Accuracy

These girls, under the watchful eyes of Miss Helen Hopp, are trying to achieve more speed and accuracy.

Beginning and advanced typing classes this year are being taught by Miss Helen Hopp, Miss Marilyn Felty, and Mr. Earl McGuire. One class of personal typing is taught by Miss Rebecca Todd.

Typewriting skill is a means of acquiring an office position. The primary aim of this course is that of building appropriate skills and understanding for both personal and vocational typewriting.

Other commercial classes of Hobart High School consist of shorthand, office practice, bookkeeping, general business, business law, and business English. A better understanding of business activities that concern our personal and national welfare is being taught in these classes.

Mr. Raymond Ball's art class displayed this Nativity mural during the Christmas season.

"Pretty as a picture," is the idea Sharron Fifield expresses, as she prepares a sketch of Sally Adams in Mr. Ball's art class.

"Stand back!" Spraying Christmas mobiles are Marge Cisman and Janet McSherry.

Today the trend is towards modern design; such as modern paintings and furniture. The world is made up of beautiful artistic things, and in the art classes students are creating these new things every day.

Mr. Raymond Ball's advanced classes do a series of sculptured forms and wall decoration. They also do product designs, which is the creating of new shapes. And work to create harmonies, which is the mixing of different colors.

"Make four tucks across the top," illustrates Mrs. Dorothy Reed, home economics teacher, to Mary Dault. Working at one of the modern sewing machines, is Cecilia Fleck.

Homemakers Of Tomorrow Acquire Time Saving Hints.

Do you think you could make an outfit like this? Virginia Blair made this suit in Mrs. Dorothy Reed's advanced sewing class.

To have a roomful of beautiful clothes is the dream of every teenage girl. Today, with such rapid changes in fashion, this dream may be difficult on one's income. With the help of Mrs. Reed, girls learn to make their own clothes, professionally and inexpensively.

The sewing classes this year are improved over the ones in the past. A sufficient amount of sewing machines and room to work helps them turn out dresses and suits they are proud to show.

Girls also learn the colors and types of clothes that flatter their figures. All of these things are very important to a girl in catching that "certain fellow" and keeping him throughout life.

"Stir the ingredients carefully," advises Miss Jacque Neff, home economics teacher, to Gloria and Elaine Adams. Sharon Campbell and Kay Beckett are also cooking one of their favorite dishes.

On How To Make Their Future Home A Happy One

"What's this? Mice in a cooking class?" Darlene Mair and Shirley Bryan are learning the importance of a well-balanced diet.

The future housewives of tomorrow are acquiring proper training today in the well-equipped laboratory of the home economics department. This year in our new school, we have four new units. They are in pastel colors, which make the atmosphere of the room pleasant. The girls are taught the proper way to mix and measure ingredients, and bake the finished product. They are also taught how to purchase these foods for quality and quantity, and how to economize and keep the budget balanced.

The home economics department has added this year, the automatic washer and dryer.

Every girl is required to take one year of home economics before graduation.

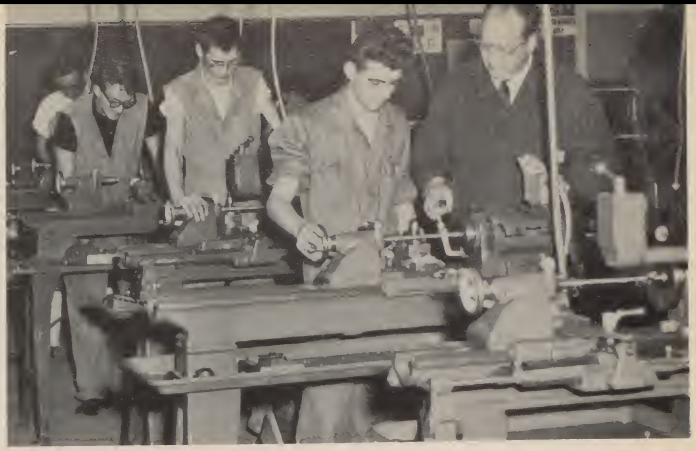

"Bob's blueprint is out of proportion," criticizes Mr. Thomas Farlow, draft shop instructor. Ed Kupec, Bob England, and John Bryan take note of his helpful suggestions.

New Shops Make Learning Easier!

These ambitious looking boys are busy printing various materials for the school. Working on the machines are: Sonny Pavy, David Lahaie, and Ronnie Dallas.

"Operating a lathe isn't easy," avers Mr. Wayne Collins, machine shop instructor, to Ben Baker. The boys behind Ben, also working on lathes, are Larry Powell, Tom Crosslin, and Bruce Unland.

Learning To Build For The Future.

"Be careful boys," warns Mr. Mike Ivkovich, while he instructs the "do's" and "don'ts" on how to work the circular saw. Following his instructions are Richard Petri and Kurt Wignall.

Jeri Zickuhr construes to the class the importance of Junior Classical League to all Latin Club members. The Latin Club has been a member of the league for the past five years. In the picture with Jeri are Jon Howard and Mr. William Black.

Foreign Languages Broaden The Outlook Of All Students.

"Why this isn't the Gary Post Tribune." Reading the Spanish newspaper 'LA PRENSA', are Gary Walker and Sue Robinson.

The foreign language department of Hobart High School consists of Latin and Spanish. Latin is taught by Mr. William Black, and Spanish by Mr. Robert Neff.

This year a third year of Latin was offered to the students. Although Latin is no longer used as the language of any nation, it is far from extinct.

In Spanish class one can learn more than grammar---the tools one needs for speaking a new language. One also acquires a greater understanding and appreciation of the Spanish temperament and point of view. Students of the Spanish classes learn of the country's customs or traditions.

Two years of Spanish are being offered in Hobart High School: beginning and advanced classes.

Foreign languages are also important for college admittance; they are required for certain fields.

Is this a familiar scene? Here busy writing a theme for English is Janet Ross.

"Don't Be A Comma Sprinkler - Know Your Rules!"

The English Department in Hobart High School is more important this year than in any other. Beginning this year, four years of English are being required for graduation.

Along with all the new courses being added, a new subject is present in this department. English Composition, a semester course available to seniors, is being taught by Miss Gladys Anderson. English Composition is important to those planning to attend college.

There are new subjects being added every year in addition to the old favorites, grammar and literature. The sophomore class looks forward to "Julius Caesar." The juniors act out the play "Our Town," and the seniors struggle over "Macbeth."

"Whoops, wrong book!" says Pat Brooks to Betty Szczepaniak. What they are looking for is a book with the language of business.

Are You Acquainted With Our Country?

The world we live in is indeed complicated, It is important for every student to become acquainted with the world and its management. Hobart High School offers three such opportunities; United States History, government-economics, and world history.

In the classes the students are taught more about the country of which they are citizens.

Although world history is not required, it is as important as government-economics.

Pointing out to Jim Blackburn the important countries in South America are Sheryl Nelson and Mr. Forrest Rhodes.

These two serious minded students working on their government assignment, are Charles Walker and Pat Garland.

EVENTS

"All ready?" asks Martha Hartman, Purple Party candidate for clerk-treasurer, as they prepare to start off the parade. Sitting beside her is Tom Gallagher, candidate for mayor. It seems he's "rarin' to go!"

The victorious Purple Party candidates, Tom Gallagher and Martha Hartman, are shown above after making their campaign speeches on "The Qualities of a Good Leader" before the entire student body in the gymnasium.

The first mayor and clerk-treasurer campaign in the new Hobart High School was exciting and colorful, as the Gold Party and the Purple Party prepared for the election, extending from September 8 through 12.

Managers of the parties Larry Snyder, Gold Party, and Marty Kerwin, Purple Party, spent many hours of their time making posters, banners, announcements, and preparing floats.

Led by the school band, a parade climaxed the exciting election week.

Nominees on the Purple ticket were Tom Gallagher, mayor, and Martha Hartman, clerk-treasurer. Bill Lundy and Linda Mills ran on the Gold ticket.

On the days of the election, September 15 and 16, 728 students turned out at the polls. The result? The Purple Party was victorious over the Gold Party.

Elections of this kind are helping the students of Hobart High School to build their democracy and exercise the American privilege of voting.

In the future they, as American citizens, will be using this right. They are learning now the way to place a vote intelligently and wisely; so that it may benefit them in the long run.

"Drive slowly ... be careful ... keep your eyes on the road ..." seems to be what Mr. Collins is saying to Larry Snyder, as the parade gets under way. Sitting in the back are Bill Lundy and Linda Mills, Gold Party candidates.

"For whom shall I vote?" ponders Nelson Lemon, second from left, as he prepares to cast his vote in the mayor-clerk-treasurer campaign. Claudia Quinlan collects the yellow tickets from Dave Jordan, June LaFevre, and Connie Peacock.

"Vote Gold!" was the cry uttered by these energetic students, as they wound around Main Street in the Gold Party's snake dance. Unfortunately, the Purple Party's snake dance was cancelled by the weatherman. It rained!

As the parents entered our new building, they were asked to register and were handed name cards. Becky Griffiths and Margaret Banaski acted as guides to the parents who sought general information.

"And as for Johnny, Mrs. Smith..." Mrs. Demmon related to many parents just how some of their sons and daughters behaved in her classes. Back to School Night provided an excellent opportunity for teachers to explain the new report card system.

Parents Fill Students Shoes

Back-To-School night was held November 10, 1958, at the Hobart Senior High School II for the purpose of acquainting the parents with their children's classes and teachers.

The parents attended each class for twenty minutes. Teachers, during this time, explained their teaching procedures. Appointments could be made at this time for a conference with any teacher at a later date.

Mr. Davis attempts to give an explanation on the manner in which he conducts his biology classes. Many parents attended back to school night and filled the students shoes. This gave the parents a chance to experience what the students of H.H.S. do in their classrooms.

Three thousand people came to view the newly erected Hobert Senior High School II. Many were awed with the beauty of the building. Hobart Senior High School is one of the most modern schools in the Calumet area. Mr. Arley Kerr made the presentation of guests and officials in the gym at the dedication program.

3,000 Attend 1958 Open House

At the 1958 open house, Mr. Bruce Hunsicker presented Mr. Don Robinson the key to the building. Mr. Arley Kerr, superintendent of schools, looks on.

After months of waiting, many parents, friends, relatives, and students came to view our new building. Modern and up-to-date, Hobart Senior High School II awed many people with its beauty.

September 28, 1958, a dedication program was held at 3 p.m. in the gymnasium. The invocation was given by Reverend Delno Brown of the Hobart First Christian Church. Music was provided for the occasion by the Hobart High School Band and the Acapella Choir.

Mr. Arley Kerr, superintendent of schools, made the introductions of guests and officials. The presentation of the building key was made by Mr. D.K. Hunsicker, president, Board of School Trustees. Mr. Harold Moody then extended an invitation to the audience to view the new Hobart Senior High School II. Reverend Walter Wilson of the Hobart First Methodist Church closed the program with the benediction.

Open house was from 2 p.m. to 5 p.m.

Everyone wore smiles as Marilyn Johnson and her class of beginners posed prettily for a yearbook photographer.

Seniors Participate In Sixth Annual "Senior Day"

"It's all in a day's work," says Marilyn Johnson as she helps her little pupils with their wraps.

Five years ago the administration heard of a new trend taking place in a neighboring school--that of a senior teaching a class one day of the year. So, Miss Thompson and a few student council members got together and went to investigate the matter.

Now, once a year, sometime in May, the seniors of H. H. S. take over the positions of the teachers and administration members. This day has been known as Senior Day since 1954.

The day gives the seniors a chance to go through the routine of a teacher. It is especially helpful to those individuals who plan to further their education in the teaching field. However, it is an enjoyable experience for each senior who participates.

"Gee whiz . . . what a load!" Beckie Lutz is loaded down with books, while Ronnie Kochan goes empty-handed. On Turnabout day it is the girl's duty to escort the boy to class and carry his books.

"After you sir . . ." Sharon Campbell is opening the door for her "steady", Mick Zimney. This unusual event occurs once a year, when the girls fill the boys shoes.

Girls Prove Chivalry Is Not Dead

Once a year an unusual event takes place in Hobart High School. This event is called Turnabout Day.

A girl knows what it's like to be a boy this one day out of the year for she must do all the things a boy is required to do. She must walk the boy to class and carry his books. She must also assist him with his coat and perform many various things. After each deed, performed by a girl, she signs a card which each boy is to carry. The boys collect as many signatures as they can, and then at the Turnabout Dance that night the one with the most signatures is crowned King.

All in all it is a fun-filled day for everyone--especially the boys.

After doing a deed for a boy the girl signs a card. Then, in the evening, the boy who has the most signatures is the Turnabout King. Here, Peggy Tucker is signing Rich Hamman's card.

The council for Government Day consisted of Judy Boyd, Ken Whittaker, Brent Dickson, Jim Mazepa, Mayor Bill Lundy, Clerk-Treasurer Joyce Blackburn, Jari Layer, Anabel Stafford, and Pat Stone. Not shown: Glb Robinson.

Hobart High Invades City Government

The Mayor, Bill Lundy, and his council met at 7:30 P.M. on the evening of February 18, Government Day. This council consisted of nine senior students who were taking the positions of the various council members.

During this meeting many problems were discussed. Among these problems was the item concerning the horsepower of the motor boats on Lake George. It was discovered, while talking about the problem that the ordinance concerning the 5 horsepower limit was passed in 1941. It was decided that it was an inadequate speed for the present day and was changed to a 25 horsepower limit by the Government Day council.

Many other items concerning the city's welfare were also discussed.

Bill Lundy and Joyce Blackburn are shown below with Mayor Rose.

Fire Chief Richard Harrigan gave Chuck Lake, Bob Bell, Arnim Whisler, Jim Herrick, and Ernie Husarik a few pointers on fire-prevention as Bob Woods looks on.

"Oh--oh...Somebody got a parking ticket." On Government Day John Batzel filled the shoes of Frank Kramer and carried out many duties, one of which was giving tickets.

Bright and early on the morning of February 18, the senior students who were filling the positions of the city's firemen arrived at the fire station with a feeling of anticipation. Why? Perhaps they would get to extinguish a fire and prove themselves to be real firemen. However, after an interesting, demonstration on fire-prevention by the fire chief Richard Harrigan, the young lads were put to work polishing the fire trucks.

The policemen on the other hand performed various duties, one of which was giving parking tickets. The police chief for Government Day, Tom Gallagher, spent the majority of his day in court listening to numerous cases which involved traffic violations.

Some of the policemen were on duty during the day to record any messages which were reported. The other policemen on the force were on night duty. These boys made the rounds of the regular policemen on beats, at which time they checked store doors and patrolled the shopping district.

All in all the day proved to be exciting as well as educational. It was an experience none of them will ever want to forget.

CONVOS

The club convocation held October 28, 1958, in the gym provided the students with information of the various clubs and their activities. Jon Howard, one of the many speakers, spoke on the Audio-Visual Club.

A suitcase that travels...alone? That is what took place when Mr. Eddie McClain from Hollywood provided the student body with a very interesting convocation, October 14, 1958. When fed with electricity, the gyroscope inside the suitcase caused it to whirl around and around. This was just one of many feats performed to make the program quite unusual.

And this is how they dressed in the 20's? Miss Hineman and Mr. Hunt participated in the January 15 convo which informed the student body on how to dress for various occasions. This activity was put on by the Debs.

"Oh, he flies through the air with the greatest of ease." On December 17, the Taffin Brothers entertained us with their various stunts. A few of the "braver" students of H. H. S. volunteered to participate in some stunts.

ORGANIZATIONS

Mayor, Tom Gallagher and Clerk Treasurer, Martha Hartman are finishing some Student Council business.

The 1958-'59 Student Council members are: FIRST ROW: Mary Crowder, Pam Pruitt, Vicki Small, Martha Hartman, Clerk-treasurer; Tom Gallagher, mayor; Joann Kurth, Joyce Blackburn, Mary Dault, Darlene Crowder, and Peggy Tucker. SECOND ROW: Kathy Mlko, Pam Frame, Joyce Tosch, Deane Cook, Becky Griffiths, Linda Millis, Sandy Lea, Sharon Johnson, and Diane Talian. THIRD ROW: Jim Marler, Ernest Husarik, Jim High, Ken Nibbe, Sally Adams, Karen Voyles, Judy Singer, and Arnim Whisler. FOURTH ROW: Jim Mazepa, Chuck Schmelter, Dave Beres, Bill Lundy, Larry Snyder, Gilbert Robinson, and Bill Lane.

Student Council Presents "Hobart High Review"

Student Council fire squad members are: FIRST ROW: Sharon Johnson, Dave Beres, and Linda Millis. SECOND ROW: Jim Mezepa, Arnim Whisler, chairman, and Larry Snyder.

The purpose of the Student Council is to give the student an opportunity to express his opinion in the governing of himself and his fellow students through his elected representative. To promote worthy student activities, to advance the general welfare of the school, and to create a better understanding between the student, the faculty and the administration are the Council's goals.

Undertaking a complete revision of the constitution, was one of the many projects of the Student Council this year. Actvities included raising money for "CARE", sponsoring Government Day and the Talent Show.

Each Student Council meeting is planned by the executive council. The sponsor is Miss Dorothy Thompson.

Debuteens full council consists of: FIRST ROW: Kathy Miko, Anabel Stafford, Janet Jones, Ruth Marconi, and Donna Mitchell. SECOND ROW: Virginia Strudas, Nancy Guyton, Judy Boyd, Judy Thompson, Marilyn Graham, Margaret Banaski, and Linda Mills. THIRD ROW: Sharon Anderson, Betty Szczepaniak, Donna Mathis, Becky Griffiths, Sandy Lea, Joann Kurth. Not shown: Claudia Quinlan, and Barbara Szczepaniak.

Debuteens' Chose "Stardust" For Their Annual Semi - Formal

Packing clothes that were bought in on "Bundle Day" are Linda Mills, Donna Erwin, and Virginia Strudas.

Kathy Miko and Jim Meade at the Debuteens Style Show showed the wrong way to dress for a class party.

The Debuteen Club's purpose is both social and service. Under services are listed the many charity drives they handle: the polio and community chest drives, the annual bundle drive for children overseas, and the sale of carnations on Carnation Day for Cancer.

The Debuteens sponsor an annual semi-formal which was held in February and a Mother-Daughter Tea and Style Show which was held in April. At the end of the year the Debuteens hold the honor banquet for the seniors and the officers of the coming year.

The Debuteen sponsors are: Mrs. Annabelle Shone, Mrs. Doris Koch, Miss Lola Stewart, Miss Jacque Neff, and Miss Mary Steinkemp.

Admiring the blue castle made out of tissue paper are Larry Rosenbaum, Nancy Guyton, Anabel Stafford, Harry Hopkins, Kathy Miko, and David Thyen.

Couples Danced To The Music Of Leroy Bowman

The first place winner of the Debuteen's Christmas card sale was Sharon Anderson. Linda Prusiecki and Bonnie Niksch placed second and third.

Jerilynne Layer selects a carnation on Carnation Day from Debuteen, Claudia Quinlan.

These F.T.A. officers are busy working on the F. T. A scholarship fund. SEATED: Rita McDonald, secretary; Wanda Andrews, treasurer; John Batzel, president; Gloria Callaway, historian; Beth Garretty, vice president.

F. T. A. Offers Scholarship To Deserving Senior

F. T. A. members helped teachers produce a successful back-to-school-night on November 10th.

The Future Teachers of America is a service club. It gives students the chance to practice teaching. The F. T. A. members take over the grade, junior high and high schools. F.T.A. also participated in Back to School Night.

At the fall F. T. A. Northern Indiana Convention, one of Hobart's members was nominated for state vice president. Also, Hobart was voted the place for the 1959 fall convention. Delegates were also sent to the Indiana State F. T. A. Convention this spring.

Hobart F. T. A. members attended meetings of various organizations in order that they may receive donations toward their annual scholarship awarded to some worthy senior. The award is presented to the most deserving senior interested in teaching as a career.

The sponsors of this club are Mr. Robert Hunt and Mr. Bryan Reed.

F. H. A.

If you like to sew and cook, then you will be interested in the club, the Future Homemakers of America.

This is the second year that Hobart has been a member of the National F. H. A. Assocation. This membership has enabled Hobart to attend lectures. style shows, and other activities at various universities.

A semester project is required for each member. Each project is graded by the club's sponsor and recorded. The F. H. A. has many other activities.

The sponsor for this club is Mrs. Dorothy Reed.

F. H. A. officers are: Gail Jenkins, president; Becky Griffiths, vice president; and Regina Scott, treasurer. Not shown: Diane Pflughoeft, secretary.

F. B. L. A.

Are you interested in a career in business? If you have had or are taking a business subject and are interested in business, then you are eligible to join the Future Business Leaders of America.

The purpose of this club is to foster business careers. One of the biggest events is the trip to Muncie for the annual F. B. L. A. convention. Those students who have earned 35 points are eligible to attend.

The students may earn points by attending meetings, working on committees, and working for teachers.

The sponsors are Miss Helen Hopp and Mr. Earl McGuire.

F. B. L. A. officers are: Johanna Nolcheff, president; Carol Cowles, secretary; Beverly Schaeffer, reporter; Shirley Frain, treasurer and Phyllis Fiorantin, vice president.

The National Honor Society members are: FIRST ROW: Janet Jones, Sandy Bryson, Beth Garretty, treasurer; Gloria Callaway, secretary; Bill Lane, president; Bud Toering, vice president; and Anabel Stafford. SECOND ROW: Johanna Nolcheff, Joyce Blackburn, Janet Ross, Pat Stone, Claudia Quinlan, Judy Thompson, and Katherine Karageorge. THIRD ROW: Jerilynne Layer, Bill Lundy, Larry Snyder, Harold Scott, Jim Mazepa, Brent Dickson, and Jarianne Zickuhr.

N. H. S. Serves 60 At Pizza Party

National Honor Society members are chosen on the basis of their scholastic ability and their activities. A formal induction is held in the spring and the parents are invited to attend.

The National Honor Society sponsors an annual supper for those students having maintained a 2.5 average for the first semester.

The National Honor Society gives an award to the outstanding sophomore boy and girl on Honor Day. They also give certificates to those students who have been on the honor roll all year.

The sponsors of the National Honor Society are Miss Rebecca Todd, Mr. Clifford Fackler, and Mr. Floyd Davis.

Quill and Scroll members for 1958-'59 are shown looking over a state bulletin. They are: LEFT TO RIGHT; Margaret Prentiss, Kenneth Whittaker, Sharon Bartos, and Brent Dickson. Quill and Scroll members for the year 1959-'60 have not been chosen yet.

Quill and Scroll

International Honorary Society for High School Journalists

Quill and Scroll is an honorary organization for high school journalists.

The requirements for membership are: you must be a junior in the upper third of your class in general scholastic standing, you must be recommended by the adviser or school principal on the basis of the work you have done in journalism or some other literary endeavor, you must submit a paper that you have written in the past year for approval by the secretary of the state organization.

The National Quill and Scroll announced a contest for high school newspapers. Two winners, who are seniors, will be awarded a $500 journalism scholarship.

The Spanish Club often plays the Spanish form of our bingo game "Loteria" except it is played with pictures. Terry Barts leads the game as Chuck Schmelter, Bill Lane, Donna Kutchenberg, Linda Vadik, Margaret Potter, and Gary Walker play the game.

Spanish Club Holds Christmas Party December 18.

The Spanish Club officers are; Gene Kemp, president; Sharon Johnson, secretary; Ruth Marconi, vice-president; and Marty Kerwin, treasurer.

The Spanish Club is a club for those students who are taking second year Spanish. The purpose of the Spanish Club, other than social, is to promote friendship between the Spanish Club members, encourage the speaking of Spanish, and to create interest in the Spanish-speaking regions of the world.

The Spanish Club's planned activities for the 1958-'59 school year were: a Halloween Party, a Spanish-style dinner, and a picnic at the end of the year.

The club meets on the last Friday of each month during class time. At this time the club often plays Spanish games and plans future activities.

The sponsor of the Spanish Club is Mr. Robert Neff.

Latin Club

The main purpose of the Latin Club is to study the Roman language and customs.

"IO Saturnalia" is a familiar word to Latin students. It is the name of the annual banquet held by the club, which is the big social event of the year.

This year the Club sent delegates to the Junior Classical League Conference at Butler University.

The club is open to all second and third year Latin students and those who have had Latin.

Mr. William Black is the sponsor.

Paul Krause, president; Peggy Louis, vice-president; Martha McMurtry, treasurer; and Kathy Miko, secretary are the Latin Club officers.

Brent Dickson and Harold Scott are working on a cloud condenser that they are planning on entering in the Science Fair.

Bi - Phy - Chem

The Science Club was organized for those students who are interested in the field of science as a hobby or future career.

To become a member of the club one must be presently enrolled in or have taken a science course.

The Science Club's biggest event is the Science Fair. The members contribute scientific projects to the fair. Projects are judged and winners are given awards.

Club sponsors are Mr. Stanley Senderak, Miss Lola Stewart, and Mr. Richard Hammond.

Admiring the Art Club's Christmas decorations are the officers: June LaFevre, treasurer; Sharron Fifield, secretary; Sally Adams, vice president; and Brian Skogler, president.

Art Club Offers Art Scholarship To Seniors

Art Club

You don't have to be a Rembrandt to join the Art Club. All you need is an interest in art.

The Art Club gives everyone the chance to express himself and learn how to paint, sculpture, and do many other forms of handicraft.

This year the Art Club gave two seniors an art award. They also gave a senior, Margaret Kennedy, who possesses outstanding art skills, a scholarship to the college of her choice.

A mosaic table for the student lounge was presented to the high school by the Art Club members. The members chose a modern design for the table and made it themselves.

The Art Club made Christmas decorations and hung them throughout the school halls and in the lounge. These decorations were colorful and modern in design. The club displays the art objects they make in the school showcase.

Mr. Raymond Ball is the sponsor of the club.

Mr. Raymond Ball is explaining to Jerilynne Layer and Larry Rosenbaum how the mosaic table for the lounge will be made.

Preparing books that are to be taken out are the officers of the Librarians: Joanna Bugay, vice president; Carol Cowles, president; Pat Garland, secretary; and Bridget Schoppa, treasurer.

Judy Morlan and Rheba Stowers are putting protective covers on new library books.

Librarians Club

The Librarians Club was organized in 1934. Their main purpose is to repair books and work in the library.

To help keep the library in good working order, the librarians have a clean-up party where they work and have fun. The biggest event is the banquet, which is held in the spring, honoring the seniors. At this banquet those girls having earned enough points are given their letters.

To earn a letter H a girl must earn 50 points, for an octagon 25 points, and for a numeral 20 points. The members earn points by working in the library and they receive points for the number of hours they work.

Mrs. Mary Bailey is the sponsor of the Librarians and is in charge of the Library.

Members of the Ushers Club are: FIRST ROW: Paul Woodruff, Jim Blackburn, Phil Gerard, Ray Rodriquez, Mike Epperson, and Terry Krischano. SECOND ROW: Brian Skogler, Bob Haas, Richard Robinson, Glen Palmer, Ed Trinoski, and Dennis Coats.

Ushers Assist At 6 Football - 10 Basketball Games.

Showing people to their seats, keeping the aisles clear, and helping to keep order are just some of the duties of the Ushers Club at public functions.

These boys have volunteered to help at the various athletic and school events. They receive recognition for their services at these events on Honor Day. The school gives the ushers a letter that may be worn on their jacket.

The ushers wear special jackets at the school functions with an insignia to indicate that they have authority to perform their duties.

Mr. Thomas Farlow sponsors the Ushers Club.

The HI-Y has combined with the Boys' Club under the name of the Hobart High HI-Y Club. This club is affiliated with the Hobart YMCA.

The purpose of this organization is to create, maintain, and extend throughout the home, school, and community, high standards of Christian character.

The platform is: clean speech, clean sports, clean scholarship and clean living.

This year the HI-Y will carry on many of the Boys' Club activities from last year. They will also send representatives to district, state, and national HI-Y meetings and conventions.

Mr. Forrest Rhode and Mr. Robert Hunt are the sponsors of HI-Y.

The Audio-Visual Club was organized in 1955 for the purpose of operating the movie projectors, loud-speaker equipment, and the tape-recording equipment. Mr. Harold Moody is the club sponsor and Jon Howard is the president.

The Audio-Visual Club hopes one day to have a member in each class to run the machines.

Marvin Manteuffel demonstrates to Shirley Bryan and Don Stewart how to run a movie projector.

MARGARET ANN PRENTISS--Editor-in-Chief, attended Journalism Institute, summer of 1957 and '58 and is a member of Quill and Scroll.

Years come and go, passing almost unnoticed. Yearbooks do the same, only this time we feel the yearbook will be noticed. Why? Because of the many modern designs and different layouts which we have used throughout. As in the past years, there were times when many of us up in room 201 thought it was time to just give up and call it a lost cause. Well, we didn't, and now we are glad we carried on.

Some of the factors that made the yearbook job so interesting were the many problems and differences of opinion that we encountered while working. Then suddenly answers to these problems became visible. These answers did not come from any one person but from a loyal staff that has watched the book grow into your 1959 MEMORIES.

Thanks go to Mr. Daniel Squires and to each member of the staff who have worked so hard in producing for you the student body of Hobart High School, the 1959 MEMORIES.

A Cappella Members Spent Long Hours Practicing

A Cappella Choir

Not only does Hobart High have a new school to boast about this year, but we also have a new Director, Mr. Robert Benson. Mr. Benson before coming to Hobart, was vocal director at Highland High school. He is replacing Mr. Gene Simmons who left Hobart last summer for Tallahassee, Florida, to further his formal education. Mr. Benson has done exceedingly well in making A Cappella members proud to say they are a part of the choir.

The Thanksgiving program on November 26 was the first opportunity for the choir to perform for the student body.

This concert was only the beginning of the concerts performed by the choir; others were: the Christmas concert or Messiah on December 11th in which the singers from the Hobart community joined the choir in singing. Included in the month of December was also, the Christmas Vespers.

Each year members of the choir sell candy to the students. The money raised from the sale of the candy is used to finance the members on their annual tour. This year they traveled in the vicinity of Terre Haute and Indianapolis on March 23,24, and 25th.

After the tour the choir performed for the students at various school functions and finished another successful year with their Spring Choral Concert on March 17th.

Madrigal Group Continues Through Second Year

1958-'59 marked the second consecutive year for the A Cappella Madrigal group. It was organized in 1957. The group is composed of twelve A Cappella members--ten seniors and two juniors. The members are chosen each year from the choir on their singing ability. Four of these members, Janet Fleming, Judy Boyd, Wayne Teague and Ron Sowinski are spending their second year in the group.

The group sings at concerts and various organizations such as the Rotary Club, Women's Clubs, and at Hobart churches.

The Madrigal group entered the Northern Indiana Solo and Ensemble Contest in January and placed second.

The selections sung by the group are mainly Madrigal songs although on the tour this year they sang popular songs as well.

To have a good organization you must have capable officers and the A Cappella Choir has just that. SEATED: Faye Burgess, historian; Judy Boyd, student director. STANDING: Joyce Blackburn, fund raising chairman; John Tarchala, equipment manager, and Jerry Mapes, publicity.

Tour Through Iowa, Illinois, Missouri Highlights Band Season

Moving into the new school marked many great changes for the 1958-'59 Concert Band. Mainly it meant saying good-by to our beloved old portable which had served us faithfully for many years. From within its walls have come some of the most famous high school bands and directors.

The first concert of the season was the annual Pop Concert under the direction of Mr. Robert K. Webb. The featured soloist was Bill Morrison, senior trumpet player. Some of the numbers presented were: "The Damnation of Faust," "The Marriage of Figaro," and the band's favorite march, "Stars and Stripes Forever."

The entire music department combined to present the Christmas Vespers Concert. David Lewis, a junior baritone player was the featured soloist and a novelty number called the "Three Goats Named Gruff," was presented with Mr. Robert Hunt as narrator.

The guest conductor for the Anniversary Concert was Mr. Robert Lowery, a world famous clarinetest. In the afternoon before the concert, Mr. Lowery conducted a Clarinet Clinic with all the clarinet sections from the neighboring schools attending. Featured at the concert that night was Charles Lake, playing the cornet solo, "The Carnival of Venice."

The annual tour routed through Iowa and Missouri with the main feature being a visit to Saint Louis.

The Spring Concert in May brought to a close another successful season for the band.

Members of the 1958-'59 Concert Band are: FIRST ROW: Cecelia Brown, Bob Houston, Kathy Karageorge, Judy Hurley. SECOND ROW: Pat Selzer, Sharon Johnson, Sue Robinson, Diane Pflughoeft, Elaine Davis, Joe Wojihoski, Mike Pillar. Treble Choir

The music department this year carried out the theme of "newness" down to the last letter. A new director and a new choir was acquired. This year a group of girls known as the Treble Choir instead of the Girls' Glee Club was organized. The choir, considerably smaller than the ones in the past, was composed of thirty-one members. The girls performed along with the A Cappella Choir at various school concerts and convos.

X-Country Team Places Third In State

Brickies Harriers once again presented a strong cross-country crew this year to keep a distinction which has marked Hobart all-time runners of Coach Frank Kurth. State champions last year, the Brickie Harriers, with only regulars Ray Isakson and Windell Claxton returning from the grand slam '57 squad, rose to the occasion once again with a third place climax in the state championship meet. The '50 and '54 Harriers squads also placed third, while the '55 aggregation were state meet runners up.

Led by their two co-captains, Ray Isakson and Windell Claxton, the hill and dalers opened their schedule against Calumet Township by slamming the Warriors 17 to 41 for victory No. 1. Finishing as the top five runners were: Isakson, Claxton, Jim Meade, Jack Meade, and Jim Marler. This initial fivesome became the scoring pattern for future meets, except for an occasional change in scoring positions.

Adding to the undefeated record of 12 victories chalked up by the state champion edition, the '58 team pushed the perfect record string to nineteen triumphs over a two-season period by capturing seven more wins from Crown Point, Chesterton, Valparaiso, Michigan City, Gary Roosevelt, and East-Chicago Roosevelt.

Hobart's own 18 annual invitational meet proved the undoing of the ribbon of wins, as Michigan City romped to their first championship.

In regular dual-meet competition the Harriers completed the season unbeaten in eleven starts. In the Shortridge invitational meet of 30 teams, Hobart placed third and won belt-buckle awards.

Indication of Hobart's balanced quintet was registered in the 12 (Hobart) IHSAA sectional meet, which they won over a field of 20 teams with a low score of 36 points to account for Hobart's 7 sectional title.

Seniors on the squad who have contributed greatly to the fine Harrier traditions are Ray Isakson, Windell Claxton, Jim Meade, Jack Meade, Ronald Morton, Rex Bell, Ernie Husarik, Dave Jordan, and manager Nick Morganelli.

Returning to take up positions vacated by seniors are Pete Liechty, John McDowell, Brian Misanko, Carl Towell, Dennis Smith, Jim Thompson, and Jim Marler, sophomore standout who impressed everyone with his high varsity ranking and state meet performance by being second for Hobart.

On a hot sunny day in August, a group of boys met in the Hobart football locker room. Their objective? -- to better the preceding years' '56 and '57 records of 8 wins and 1 loss. This group of boys and their coaches knew that this was going to be a task which would take a lot of skill, courage, and determination. As the days and weeks of practices flew by, the team shaped up and became tougher.

On September 5, Hobart journeyed to Whiting to play the high spirited Oiler team. The Brickies came out on top with their first win of the season 20 to 13.

Hobart then traveled to Gilroy Stadium and downed Gary Roosevelt 16 to 0.

The thriller of the season was when Hobart went to Crown Point. Crown Point was undefeated until they met the mighty Brickies. Hobart was victorious, as they romped to a 13 to 6 win.

Next the Brickies played Hammond Tech and won 33 to 6.

The shock of the season came when the Brickies played Michigan City. The game turned out to be a hard fought contest, as the Brickies were tied 7 to 7.

East-Chicago Roosevelt, Rough Riders were also defeated by Hobart for the first time in four years of play. Hobart defeated East Chicago 20 to 0.

The last game of the season against Tolleston was no different from the preceding ones. Hobart received a well-earned victory 33 to 0.

This team accomplished the first undefeated season in Hobart history.

HOBART 7...

MICHIGAN CITY 7

When the Brickies met the Red Devils of Michigan City on October 17, the outcome was a 7-7 tie. Michigan City won the toss and scored shortly afterward on a 62-yard run. This was called back because of a penalty. City scored its touchdown on a 72-yard run. Hobart fought back by marching 67 yards to score on a 2-yard plunge by Mike Davis. The game was a see-saw back and forth until Hobart started a march with three minutes left in the game. This was broken up by City intercepting a Hobart pass. They played out the clock, leaving the score 7-7.

HOBART 20. . . E. C. ROOSEVELT 0

Hobart Brickies won their seventh game of the season when they defeated the Rough Riders of East Chicago Roosevelt on October 24. The score was 20-0. Tom Gallagher, Chuck Donaldson, and John Stephens scored in the first half of this dynamic game. Chuck Donaldson came across again in the second half. This was the first time in the history of Hobart Senior High that we have defeated E.C. Roosevelt, who has been our biggest opponent in the preceding years.

The school year, 1958-'59, among introducing numerous changes academically, has been host to a spectacular array of Homecoming festivities.

A bonfire, a pep rally, and a snake dance held in the Brickie Bowl the night before our Homecoming with Hammond Tech, supplied the Brickies with enough spirit to whip the Hammond Tigers 33 to 6.

"Skew 'em," Sophomore float; "Cage Those Tigers," Senior float, and "Whip Those Tigers," Junior float, received first, second, and third place respectively in the float contest.

Cindy Ballog was crowned 1958 Football Homecoming Queen by Larry Snyder, senior class president, during the half-time ceremonies.

Cindy was presented a crown of white miniature mums, sprinkled with diamond shaped sequins, and a dozen red roses. She wore an orchid floor length gown of net over taffeta.

While the band played "Fascination," a 1958 white Ford convertible driven by Ted Fox, a '55 alumnus, carried Cindy Ballog and Joyce Blackburn onto the field. Diane Zimmerman and Beth Garretty followed in a '57 red and white Ford convertible driven by Bob Bell. The girls were met at the cars by their escorts, Windell Claxton, Terry White, Jim Meade, and Jack Meade. Each girl in Cindy's court received a dozen red roses.

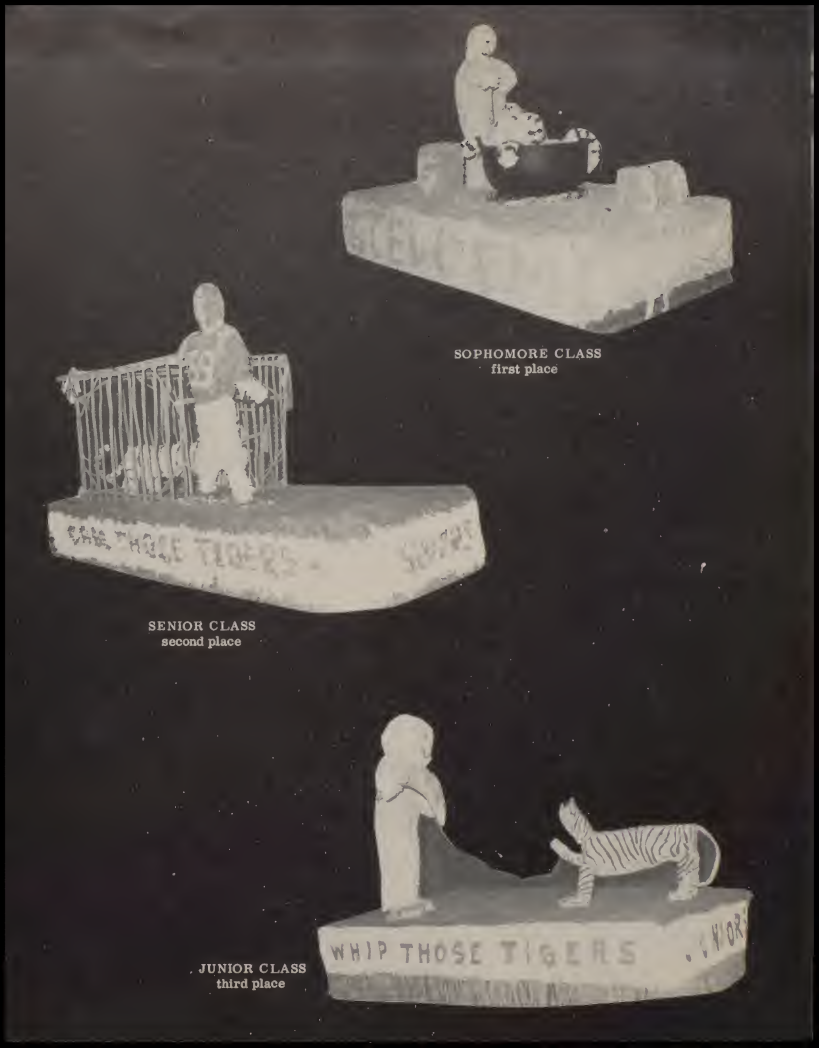

Wally Bielewich and Steve Roper, co-captains, presented Cindy with the traditional white autographed football at the Homecoming Dance held in the student lounge of the high school.

13 - Game Winning Streak Highlights Season

Playing in the new gym and under the direction of a new coach, Jim Robbins, the Hobart Brickies developed their skills to improve their previous years' records. The 1958-'59 team was the same as last season's with the exception of losing both Dave Jordan and Dwain Crisp and gaining Jim Herrick and Chuck Donaldson.

Spectators packed the new Brickie gym on numerous occasions and often the games were broadcasted on WWCA--Gary.

The season started as Bishop Noll visited Hobart and left the Brickies in the red with their first loss. Next Hammond Clark played host to Hobart and the Brickies "pulled one out of the fire" winning their first game of the season 67 to 64. Hobart then defeated Lew Wallace 64 to 43. Next the Brickies traveled to River Forest for their third win where they handed the Ingots a loss of 58 to 41. Merrillville came to Hobart where they were sent home after being taken 72 to 36. Then the Brickies tromped Gary Emerson 71 to 46 at Memorial Auditorium.

Christmas vacation brought the Merrillville Tourney. After defeating Lowell, Crown Point, and Griffith, Hobart held a record of 8 wins and 1 loss. The Brickies then continued their winning streak by downing Lowell 81 to 74, Wirt 42 to 40, South Bend St. Joe 74 to 59, Griffith 47 to 42, and Highland 53 to 40.

Hobart met Portage's dynamic team who broke the Brickies' 13 game winning streak--72-47. Number 14 for the Brickies was East Gary whom they trounced 67 to 40. Then came Chesterton whom the Brickies defeated 76 to 64. The Brickies ended the season with four sudden defeats: Gary Roosevelt 69 to 51. Hammond Morton 70 to 59, Crown Point 55 to 53, and Culver Military Academy 58 to 52.

The Hobart Brickies finished the season with 15 wins and 6 loses.

In the Gary Sectionals Hobart met a greatly improved Gary Emerson team and was defeated 73 to 56.

RESERVE BASKETBALL TEAM
Front Row: Dennis Smith, Jim Henley, Richard Bliss, John Jamison, Carl Towell, Dave Mueller, and Pete Liechty. Second Row: Coach Fay Trammel, Jim Fields, Gary Walker, Bob Smith, Dave Beres, Jerry Anderson, Larry Pio, Bob Walk, and Mgr. Nick Morganalli.

Jim Meade, No. 43, attempted this shot during the final game of the Holiday Tourney held in the Engelhart Gym. John Stephens, No. 32, Ken Bragg, No. 35, and Chuck Vigland, No. 25, stand by.

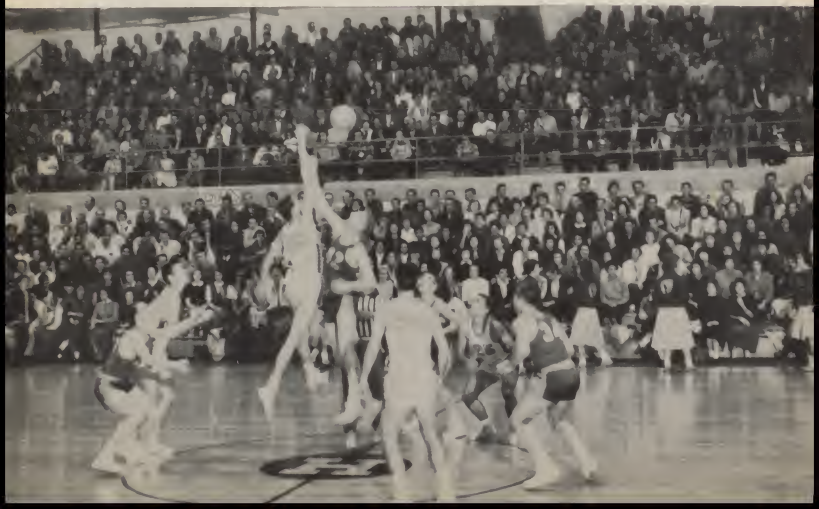

Terry White is flying high! White, No. 21, leaps into the air as Vigland, No. 25, watches amazed.

John Stephens sails into the air during the South Bend-St. Joe game.

Opening game! The first jump ball of the season opened Hobart's 1958-'59 basketball season. The Brickies began the season with a loss to Bishop Noll, but went on to win thirteen consecutive games.

The 1958-'59 Basketball Queen and court was Pam Pruitt, June Darling, Queen, and Beth Garretty. Escorts were George Harbison, John Johnson, and John Molnar. Terry White represented the team.

June Darling Reigns As '59 Basketball Queen!

June Darling, 1959 Basketball Home-Coming Queen, was crowned Friday, January 23 during the half-time of the Hobart--Griffith game.

Bill Lundy delivered the welcoming speech and announced the Queen. Tom Gallagher presented June with a misty blue crown. A gold basketball was presented to her by Terry White.

June's court for the evening were Pam Puritt, sophomore, and Beth Garrety, senior. Escorts were John Johnson, John Molnar, and George Harbison.

A dozen red roses was given to June and each member of her court by the varsity cheerleaders.

A dance honoring the queen was held in the cafetorium after the game. Dance contest winners were chosen and awarded prizes.

Vigland is "up and at 'em!" This action, which took place during the Griffith game, marked a victory.

Down the Fairway, Tony Grasa finishes a swing at the old ball while practicing for the season.

Golf

The Hobart (hole-in-one) golfers return this year with the prospects of a fine season. Coach Fay Trammel and his team are looking forward to one of the best golf seasons that Hobart has ever had. The team consists of Captain Brent Jamison, John Jamison, Tony Grasa, Chuck Hellman, and Marty Grabb.

The team lost one of its fine players, David Hedger, but it will live up to its expectations in great style.

The 1959 team and coach hope to go beyond last year's records, since these are practically the same members who dominated last year's golf team.

Indian Ridge Golf Course will be the boys' playing ground where they will dig holes in the grass for many hours each day.

Little ball isn't it? John Jamison also gets in practice for the coming golf season.

The Hobart Brickie baseball team are going into their fifth year trying to improve their individual and team averages. Last year the team's batting average at the end of the season was .328. With a promising crop of new-comers, Coach Ed Stewart is hoping for a highly successful season.

Returning lettermen will be strong again this year, as they have had experience with the teams around the Gary area. Among the teams the Brickies play are Lowell, Merrillville, Morton, Griffith, East Gary, Culver Military Academy, Bishop Noll, Calumet, Crown Point, Wirt, Portage, and Michigan City.

The team knows that there will be many fine teams this year and are hoping to be right among the top.

Fastest Brickie

Pictured in the drive that won him state championship in the 100 and 220 yard dashes is Terry White, Hobart's first track athlete to score a double victory in a state championship meet. His 100 yard dash time was 10 seconds even while his clocking in the furlong dash was 22 seconds flat for a new school record.

'59 Thinclads Return With Numerous Lettermen

Returning from the 1958 Gary Sectional Championship team that last year saw the Brickies break a 50 year domination of Gary triumphs in their own back yard, were 18 major letter winners that greeted Coach Frank Kurth for the indoor track season that each year preps the Thinclads in their quest for championships in the outdoor campaign.

Headed by their state championship double winner, Terry White, prospects for a well balanced track team was evident as the talented squad of track and field athletes included potential champions in the 13 event program of the spiked shoe performers.

Turning in outstanding achievements this spring as they toed the mark for their final year of high school competition were senior track squad members Terry White, John Stephens, Jim Meade, Jack Meade, Chuck Vigland, Dale Beach, Bill Lane, Dave Jordan, John Molnar, Windell Claxton, Ray Isakson, Ronald Morton, and Chuck Lake.

The Brickies defended championships won in 1958 by doing repeat performances this spring in the 19th Little "5" Meet, the 4th Culver Relays, the Delphi Relays, the 4th Hobart Relays, and the IHSAA Gary Sectional title.

Wrestling is new in Hobart's intramural program. Here Bill Fatrick demonstrates one of the holds on Mike Biggs.

Working on the parallel bars is one of the favorite ways of exercising for these boys at intramurals every Tuesday night.

Reserve And Sub Cheerleaders Aid Varsity

Ready to assist in any way possible are the substitute cheerleaders, Pat Mijdak, Sandy Lea, and Joyce Tosch.

"When dear old Hobart High School falls in line

We're going to win this game another time

And for that dear old school we love so well

And for that old ball team we'll yell, and yell and yell

We're going to fight, fight, fight for every score

We're going to win this game and then some more

We're going to roll old (.....) on the side, on the side: Roll--roll--roll."

FIRST ROW: John Stephens, Dave Jordan, Ernie Husarik, Jim Herrick, Wally Bielewich, John Molnar, Ron Morton, Chuck Vigland, Don Coltart. SECOND ROW: Bill Lundy, Jack Meade, Jim Meade, Ken Bragg, Bud Klein, Terry White, Tom Gallagher.

Senior Lettermen

The H-Men Club is one of the oldest organizations in Hobart Senior High School, having its origin in the early part of this century. Membership is restricted to those who have earned a major letter in any organized sport in the school.

The objectives of the club are: honorary, sportsmanship, athletics, school spirit, fellowship, and financial.

"Watch out boys," says the girls in gym class, as they take part in a game of basketball.

"Working on the waist lines girls?" This takes place in a girls gym class.

Girls' Gym Classes

Miss Elinor Reisinger leads the girls' gym class in their daily exercises which limbers the girls and keeps them from getting "out of shape.

G. A. A.

"Shangri-La," theme of the 1958 G.A.A. semi-formal was held September 15, at 8 P.M. in the school cafetorium.

Frank O'Badge and his combo provided the professional touch of entertainment, while Lana and Luana Melzarek, Mary Kay Berg, and Faye Burgess added the amateur tinge. "Sayonara," played by the combo concluded the enchanted eveing.

Chairman of the theme and decoration committee was Marge Cisman. Marge accented the evening with Japanese lanterns and burning incense. Marilyn Johnson and Diane Pflughoeft, co-chairmen of refreshments committee served pineapple-orange punch and an assortment of cookies. Other committee chairmen were: Joyce Tosch, entertainment, and Phyllis Fiorantine, programs.

The semi was planned and presented under the supervision of Miss Eleanor Reisinger, sponsor of the G. A. A.

Judy Peterson, president; Rose Ann Luby, vice president; Miss Eleanor Reisinger, sponsor; Marilyn Johnson, secretary and Mary Ann VanBlaircom, treasurer; are shown at the G. A. A. semi-formal during an intermission.

"What happened to the ball?"... wonders Jean Shearer and Marge Cisman as the exciting game comes to a momentary halt.

This group of loyal G. A. A. members gave up one night of their Christmas vacation to go caroling. These girls provided the traditional Christmas spirit.

"Shangri-La" was the theme of the annual semi-formal sponsored by the G. A. A. The dance was held in the high school cafetorium on November 15 The music was provided by Mr. Frank O'Bradge and his combo.

Joyce Tosch watches with enthusiasm as Judy Peterson serves in a game of ping-pong during a regular meeting of the G. A. A.

Judy Hood watches Joyce Tosch and Marge Cisman, who are exercising on the parallel bars.

This is Hobart High School's successful Booster Club. The Booster Club supports our football team and basketball teams. The organization emphasizes school spirit.

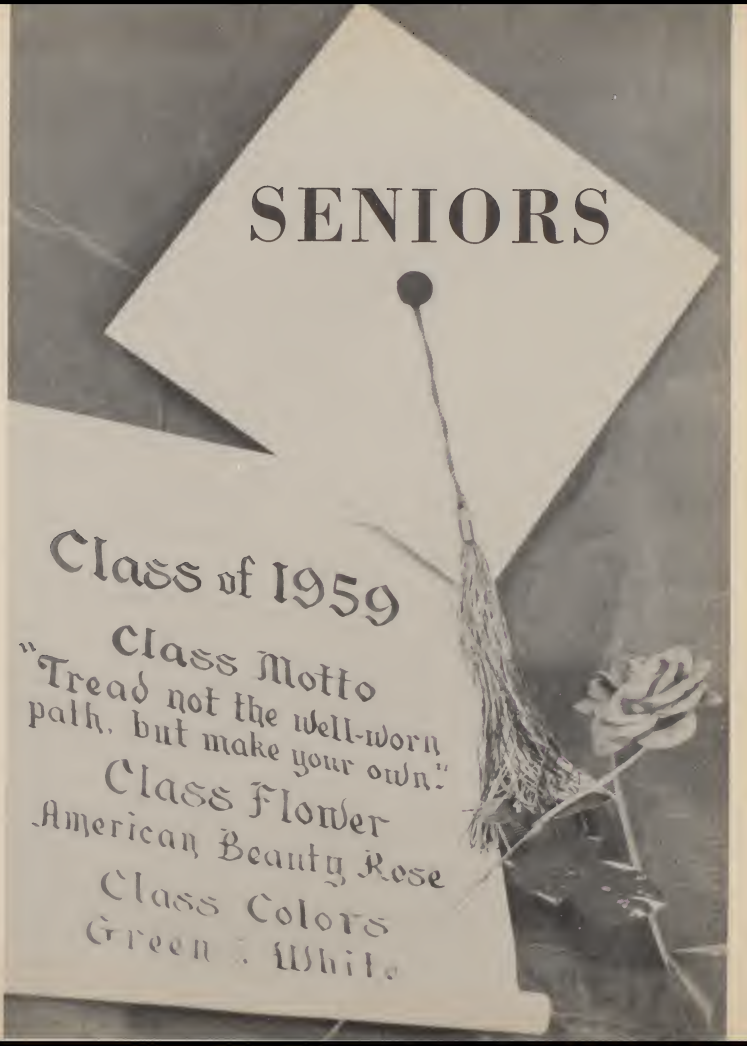

Boosters Cheer Teams On To Victory

Any student who is interested in backing our team by attending the games and cheering them on to victory is eligible to join the Boosters, since this is the purpose of the Boosters Club.

The Boosters have many activities. They provide half of the money needed to purchase cheerleaders' uniforms, and they conduct all pep sessions. They sponsor the football and basketball homecoming after-game dances, also the first dance of the football and basketball seasons. Two of their newest activities was the selling of Brickie license plates and the formation of the card section for home basketball games.

1959 officers are Pat Brooks, secretary; Sandy Lea, treasurer; Judy Freeland, president; and Nancy Bycroft, vice-president. Shown at the left is Sheryl Nelson.

ADMINISTRATION

SCHOOL BOARD
Harry Garmong, secretary; Verne Elliot; Donald Sporre, Alice Hamilton, treasurer.

Board Of Trustees Assume Leadership To Provide . . .

The Board of School Trustees, as legal officials of the state, are obligated to assume leadership to provide ever-improved educational programs and better facilities for learning. They are sensitive to the desires and judgements of the people recognizing that after all conversations, comments, commendations, and complaints have been heard, they, themselves, serve as umpire.

Although primarily legislative and a policy-making body, our Board has taken courageous roles for support of the schools.

It is said that America's fundamental faith in the wisdom of the people receives its greatest expression through the school board system of educational control.

Don Robinson, president; and Mr. Arley Kerr, Superintendent of Hobart City Schools

Educational Program - Better Facilities

Mr. Eugene Wise, Director of Pupil Personnel, coordinates the attendance for the Hobart City Schools which includes the elementary schools, both public and parochial, and the Hobart Junior and Senior High Schools. He supervises the programs in special education, namely, speech and hearing, homebound, and the mentally retarded. Also he represents the schools in juvenile court pertaining to delinquency and parental neglect.

Mr. Wise received his Bachelor of Science degree in education at Ball State Teachers' College and later he received his Master's degree from the same institution. Since that time he has done additional graduate work at Indiana University.

New School. . New Methods. . Thanks Administration!

My remarks will be directed in tribute to my colleagues--the classroom teachers.

New buildings, shiny equipment, and modern textbooks are important, but sometimes we become so possessed with these that we forget the truly indispensible phase of any school--the teacher. Mark Hopkins once said: "Give me a log with a child on one end and a teacher at the other and I will give you a school."

That man was right.

The key which unlocks success or failure of a school system is the teacher. Strong dedicated teachers equals a strong school system. Mediocre, ordinary teachers equal a run-of-the-mill school system. Lazy, dissatisfied, incompetent teachers equals a poor school system.

The key is the teachers. Nothing replaces that fact. Nothing should. The teacher represents the human element, the living, breathing relationship between the child and knowledge.

The Hobart teachers I have known have almost entirely been sincere, hardworking and especially cooperative. I have found them to be altogether humanly anxious to do a good job, anxious to be liked, anxious to be fair, and anxious to give more than is expected.

Whatever success Hobart Senior High School has achieved can be largely laid on the doorstep of its teachers, the men and women whose lives are dedicated to the teaching of Hobart's children.

May this caliber of man and woman never be lost!

Thanks Merchants

The 1959 Memories staff has appreciated the cooperation of you, the Hobart merchants. You have shown your interest in the production of our yearbook through your advertisements. Because of your effort, we have been able to record many memorable events which might otherwise be forgotten.

In the years to come, these memories will grow closer and dearer to us. We will not forget you, who have made it possible for them to live.

what's their future

The young people you see in these pictures are all on their way to successful careers in one of America's basic industries . . . steel. They decided (as we hope you will decide) to let Inland Steel Company help them plan their future.

Some are gaining knowledge and experience in special trades to become journeyman machinists, carpenters or electricians . . . some are concentrating on certain phases of steelmaking by working in the open hearth shops, the cold rolling mills or the galvanizing lines. Still others are working in laboratories building a sound foundation for a future in steel research.

Inland offers the high school graduate an excellent opportunity to further his education. Employees may participate in a variety of on-the-job training programs, or they can continue their formal education by registering for evening courses offered by local Purdue and Indiana University Extension Centers.

Plan now to investigate the unlimited opportunities for you in steel . . . with the midwest's own steel company . . . INLAND STEEL.
